American Artist magazines (www.myamericanartist.com)

American Artist is the leading monthly magazine for representational and figurative artists. Devoted to the realism in art that our readers cherish, American Artist features artists who are shining examples of excellence in their medium, whether oil, watercolor, pastel, acrylic and other media.

Watercolor

Helps readers become accomplished artists working in transparent watercolor, gouache, acrylic, casein, or egg tempera. Includes step-by-step demonstrations, fresh ideas, and new techniques.

Drawing

Launched in 2003, *Drawing* provides working artists with information and inspiration regarding the foundation of all art: drawing. Targets artists working in charcoal, graphite, Conte, or colored pencil.
